

## PRESS RELEASE

### V-NEO signs a five-year agreement with La Capitale

QUEBEC CITY, QC, March 1, 2017—V-NEO is proud to announce the signing of a major partnership agreement whereby it becomes the preferred IT supplier for La Capitale for the next 5 years thanks to its accomplishments with regard to the Guidewire and Wynsure software solutions.

“Signing this agreement with La Capitale confirms the relationship of trust that has formed between us, allowing V-NEO to accelerate its investments in skills development around the Guidewire and Wynsure solutions,” highlighted Alain Lamothe, president of V-NEO.

“V-NEO is also a Wynsure partner (Mphasis, Wyde) since 2016 and an Advantage level member of Guidewire’s PartnerConnect network of select partner companies.”

#### **About V-NEO**

Founded in 2010, V-NEO is a consulting company specialized in the property and casualty insurance sector. It offers consulting services in enterprise architecture, business architecture, and IT solutions and in the coordination and implementation of major transformation projects, from solution deployment, strategy, selection and planning, to the realization and achievement of the value sought by organizations. V-NEO has experienced phenomenal growth and has more than 130 professionals situated across three offices (Quebec City, Toronto and Brussels).
