

V-NEO Inc. Becomes Oracle PartnerNetwork Gold Level Member

Quebec, May 29, 2018 – V-NEO Inc., a Business Advisory & Technology consulting firm focused exclusively on Insurance, today announced its Gold level member status in Oracle PartnerNetwork (OPN) as well as gaining certification for Sales and PreSales of the Oracle Insurance Policy Administration (OIPA) next generation core processing solution. V-NEO will be working closely with Oracle's Insurance industry team to consult on and deliver business solutions to Life & Annuity customers implementing Oracle Insurance Policy Administration (OIPA).

“The collaboration with Oracle is directly aligned with V-NEO Consulting to leverage our deep expertise in the transformation being initiated by Insurers globally to address new compliance and digital insurance requirements. This relationship will allow us to capitalize on our industry knowledge and experience, expand into new territory and reinforce our investments in Oracle's insurance industry solutions,” highlighted Alain Lamothe, President of V-NEO.

As a Gold level member, V-NEO receives the benefit of being able to start developing specializations that will allow them to grow their business, increase their expertise, reach higher levels of customer retention, and create differentiation in the marketplace. Gold members also become eligible to resell all Oracle Technology products and can apply to resell Oracle Applications and Industry Solutions. In addition, they receive access to My-Oracle Support to support development, demonstration, and integration licenses only, discounts on training, limited free assessment/exam vouchers, reduced rates on the purchase of Oracle licenses for internal use, discounts on advanced customer services and more. About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) is Oracle's partner program that provides partners with a differentiated advantage to develop, sell and implement Oracle solutions. OPN offers resources to train and support specialized knowledge of Oracle's products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to be recognized and rewarded for their investment in Oracle Cloud. Partners engaging with Oracle will be able to differentiate their Oracle Cloud expertise and success with

customers through the OPN Cloud program – an innovative program that complements existing OPN program levels with tiers of recognition and progressive benefits for partners working with Oracle Cloud.
